Dear Mr. Braxton,

Upon receipt of your Notice of Agency Action Division Order File No. M/043/0112 received on November 9, 1999. I spoke with your agency regarding the non-compliance issues and the immediate cease of all mining activities at this site. After several discussions we decided to meet at the site on November 23, 1999 to discuss any non-compliance issues. We will continue Stone Quarrying mining activities until the meeting on November 23, 1999.

If you need to contact me I can be reached at (801)262-4300. Thank you for your immediate attention in this matter.

Sincerely,

Beverly Thomas
